

Recommended Restaurant List

Arenal

Serving an exquisite seasonal Mediterranean cuisine along the beach, Arenal Restaurant's gastronomic plates are a tribute to the essence of the fishermen's neighborhood and based on traditional seafood recipes. Located at the level of Barceloneta beach, this restaurant stands out for its elegant and simple decoration. From any corner of its spacious and bright interior room it is possible to contemplate the sea. Its pleasant terrace is one of the jewels of the restaurant open throughout the year.

[El Cangrejo Loco](#)

On July 16, 1992, on the occasion of the Olympic Games of Barcelona 92, "El Cangrejo Loco" started its activity in the Olympic Port of Barcelona, a marina created to host the Olympic sailing events. It is currently considered one of the reference sites of the new post-92 Barcelona. The games are already history but "El Cangrejo Loco" remains faithful to its objective: to guarantee the best quality in all its dishes and an exquisite service.
